SAFER FOOD SOLUTIONS

TableCraft® Provides Solutions... Solutions to protect & serve your customers.

From prepping to serving food, TableCraft offers Safer Food Solutions™ that promote food safe practices, improve efficiencies, reduces waste, and promotes cleanliness and sanitation within your establishment.

COLOR-CODED SYSTEMS HELP PREVENT CROSS-CONTAMINATION

Cross contamination is the transfer of harmful bacteria to food from other foods. TableCraft's **Color-coded Cutting boards** and utensils promote food safe practices by designating foods to colors for safer food prep.

COLOR-CODING SPEEDS UP PREPARATION

Color-coding speeds up food preparation while providing a system that ensures accuracy and organization.

Our **Widemouth™ Silicone Sauce Bands** allow you to easily identify contents. Custom imprinting available to label with your own unique sauces and condiments.

PourMaster® Silicone Bands make identifying the contents of your PourMaster® easy! Dishwasher safe silicone bands are flexible and easily fit onto the neck of your PourMaster®.

FOOD ROTATION MANAGES THE QUALITY AND SAFETY OF FOOD.

Minimize waste, ensure proper food rotation, and save time with our selection of **Dualway™ and InvertaTop™ squeeze bottles**. Universal, Blue valve is now available with a larger opening to allow for larger particles (up to 1/8") to pass through without clogging the valve.

CROSS-CONTAMINATION FROM FOOD AND FOOD CONTACT SURFACES

One of the most overlooked vehicles of cross-contamination are cardboard film & foil dispensers. Cardboard is absorbent and cannot be washed easily; allowing it to easily harbor microbial germs, contaminants and pests. Keep your film, foil and food more sanitary while saving money with the **KenKut™ Film & Foil Dispensers**.

COLOR-CODED SYSTEMS HELP PREVENT CROSS-CONTAMINATION

Cross contamination is the transfer of harmful bacteria to food from other foods. TableCraft's Color-coded cutting boards and utensils promote food safe practices by designating foods to colors for safer food prep.

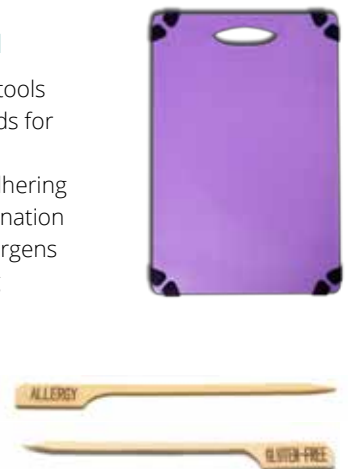

CLEANLINESS HELPS PREVENT FOODBORNE ILLNESS

Cleanliness is a major factor in preventing foodborne illness. Everything that touches food should be clean. Our **Ridal Collection™ Serving Baskets** are dishwasher & microwave safe – allowing your kitchen to run more efficiently by saving time and keeping to Safer Food standards. Our **NSF® Ribbed Ramekin Family** allows condiments to be plated in an easy to clean, portion controlled manner. Our **PourMaster®** series keeps your bar tools more sanitary and easier to clean.

PREVENT “CROSS-CONTACT” OF KNOWN FOOD ALLERGENS OR GLUTEN

TableCraft has the dedicated tools to help prepare and label foods for your **allergen sensitive and gluten intolerant** guests. Adhering to a process assures the elimination of cross-contact of known allergens to your food prep and serving solutions.

KEEP YOUR SAUCES SAFE AND COVERED

Our **Squeeze Bottle Tethered Caps** keep contaminants and foreign particles OUT of your squeeze bottles and ensure safe food practices in your kitchen. Available in assorted packs; allowing you to color-code your squeeze bottle contents.

ENSURE SAFE & SANITARY PRACTICES BEHIND YOUR BAR

TableCraft's **Universal Liquor Pourer Covers and Dust Caps** are the sanitary solution to keep contaminants out of your liquor bottles. Liquor Pourer Covers and dust caps comply to most local bar regulations and are dishwasher safe.

**BUFFET
CATERING
& DISPLAY
SOLUTIONS**

Elevate Your Brand Image

TableCraft offers an array of products that elevate your brand image, enhance your buffet line or catered event and deliver dependable, durable solutions that keep your guests and staff happy.

PROFESSIONAL

BAKEWARE

BY

Professional Bakeware by TableCraft has a deep-seated history of bringing to market high quality products that are dependable and promote food safe practices.

Handcrafted Sand Cast Aluminum offers a virtually unbreakable design, available in 24 colorful options, and conducts or maintains temperature for an extended period of time; better than most other serving options in the market. Mix and match serving pieces to create an eye catching presentation to enhance your brand image.

Our DuraCoat™ cast coating is NSF® listed, dishwasher safe, and durable from -20 up to 145°F.

TableCraft provides a convenient and unique recoating program. Please contact your dealer for a quote and a recoating number (RCA) to finish your cast aluminum serve ware.

Please allow up to 4 weeks for TableCraft to refinish your cast aluminum project.

Cast Aluminum Serving

Bring the "cool" factor to your salad bar with Coated Cast Aluminum solutions. DuraCoat™ Aluminum coating provides an ideal cold holding solution in virtually any environment. Choose from different designs, shapes and colors to bring a contemporary image to your food offering while maintaining food safe temperatures throughout your entire service.

CONTEMPORARY COLLECTION™

Straight-Sided bowls save space and are available in a variety of sizes and colors for attractive presentation while offering a virtually indestructible solution.

AURORA COLLECTION™

The Cast Aluminum construction is virtually indestructible. Optimal performance of cast design not only conducts temperature, but will never dent. Thus, keeping your equipment running more efficiently.

- Made within standard pan sizes; no template required, meaning fewer restrictions and more savings
- Operator friendly Aurora Collection™ stores easily by nesting together
- Flat base surface works well with cooling plates and conducts optimal temperatures
- Use with universal adapter bars

Cold Holding Servers & Displays

Some things are just better cold. Keep your food looking crisp and fresh with our variety of cold servers and displays. Bring a cool and unique style to your presentation.

COLD SERVERS

Attractive and accessible cold food displays keep foods chilled for a long period of time while preserving the appearance and taste.

Portable; perfect for any off-site catering event.

See through lid opens for ease of use and keeps a sanitary environment.

Polished Stainless Steel base adds an elegant look to your buffet line.

Freezable cold packs store under pan to keep food fresh.

Set includes:

- Polycarbonate Dome Lid
- Decorative Stainless Steel Insert Pan
- Polished Stainless Steel Base
- Removable Freezer Cold Pack

Item #	Description	Capacity	Min Order/ Case Pack	Case Weight	List Price (\$)

Risers & Displays

Risers create more room and add dimension to your table.

TableCraft's space-saving designs allow many of our products to nest when not in use. All of our risers can be used alone or as a set, as their neutral design allows your food to take center plate!

RUSTIC RISERS™

Add rustic charm to your buffet setting and display with TableCraft's Rustic Risers™ Crate Sets with Chalkboard. Available in a three-piece set with either natural wood finish or white distressed, our crates will add a vintage, rustic feeling to your buffet. Use as a riser to add height to you setting or use as an attractive storage option. Includes chalkboard inserts for decorative organizing and labeling. Crate set nests together for convenient and space saving storage.

- Chalkboard panel for labeling presentation
- Integrated handles for easy carrying
- Base of crate provides flat surface for versatile display options
- Easy maintenance; lightly clean with a damp cloth and dry immediately.
- Do not submerge in water
- Conveniently packaged for Cash & Carry.

Salad and cold food bars are designed to attractively display foods at safe serving temperatures. Our selection of salad bar tools help you serve dressings in a durable, easy to clean and customer friendly manner.

NSF® OPTION™ DISPENSER

Our NSF® Option™ dispenser family is the perfect solution to serving dressings.

Easy to read handles and clear bottles make it simple to identify contents. Holding trays keep your bottles organized in a refrigerated unit and is the same dimension as a full size food pan. Slider prevents drips and keeps your countertops clean. Bottle is BPA Free Tritan® material. Ergonomic handle. Unit disassembles for easy for cleaning, dishwasher safe.

48 OZ BPA FREE TRITAN®

Set includes (6) dispensers with black plastic tops, (1) tray, (10) different salad dressing tags. (Bleu Cheese, Fat Free Ranch, Fat Free Italian, French, House, Italian, Ranch, Russian, Thousand Island and Vinagrette).

Serving Collections

TableCraft Collections tie together serving pieces and tabletop solutions as a unified brand image. Serving collections bring character to the table, whether you mix and match or showcase a piece independently.

ACACIA COLLECTION™

Make a statement to any buffet or tabletop setting. Accent your food offering with TableCraft's handcrafted Acacia Wood Collection™. These unique pieces allow you to display your appetizers, sandwiches or entrees with rustic charm and distinctive elegance. Harvested from Nature; no two pieces are the same. Variation amongst sizes +/- 1½"

- Attractive natural grain and texture adds style to any setting
- Available in a collection of different sizes and styles to meet any need
- Considerable care and use instructions are needed with these designs. Wash prior to first use; hand wash only. Not dishwasher safe. Do not soak. Always thoroughly dry immediately after use. Store in dry conditions to maximize the life of these pieces.
- Conveniently packaged for Cash & Carry.

Cutting Boards, Knives & Accessories

A busy kitchen needs to run efficiently and safely. With products such as our "Grippy" Color-Coded Cutting Boards, prevent cross-contamination and slippage, while assisting with portioning foods. Color-coded systems are designed to eliminate cross-contamination and promote HACCP® guidelines.

GRIPPY CUTTING BOARDS

Prevent cross-contamination with TableCraft's Color-Coded Cutting Boards with Integrated Grips. The color-coded system is designed to eliminate cross-contamination and promote HACCP® guidelines. Corner grips are designed to prevent slippage. Integrated measurements (in/cm) on each side assist in proper food portions.

Sanitary and easy to clean. Integrated handle for easy carrying. Heat, chemical and warp resistant. Dishwasher safe.

GRIPPY CUTTING BOARD HACCP® KITS

Kitchen Supplies & Equipment

TableCraft offers all of the essential elements to make your kitchen run smoothly and efficiently. No matter what type of foodservice business you operate, we have the tools to help prep, cook and store.

KENKUT™ 3 KEEP SAFERFOOD SOLUTIONS UNDER WRAPS.

Versatile for both film and foil, KenKut® 3 includes slide cutter and safety blade storage on the lid. Holds 12" to 18" rolls; 3,000' or 6" diameter roll of film or foil. Made of durable, break resistant ABS plastic that is easy to clean and dishwasher safe. Keeps pests and contaminants away. Save time, money and keep your kitchen running more efficient with TableCraft's safer food solution to wrapping food.

- Saves money - reduce film/foil costs by 100% use of film or foil
- Keeps food safe - Eliminates cross-contamination from unsanitary cardboard cutter boxes
- Integrated handles allow for easy transportation
- Complies to HACCP® and food code standards
- Operator friendly design with stay-open lid for easy loading
- Newly designed reinforced hinge system makes this KenKut® the most durable
- Wall-mounting option
- Non-slip feet allows for more control while wrapping foods
- Dishwasher safe
- Conveniently packaged for Cash & Carry

The PourMaster® Series stores mixers & juices, allowing you to pour the perfect drink, everytime.

NSF® certified materials and design keep your bar tools sanitary and easy to clean. Dishwasher safe.

Color-coded caps and necks assist with easy identification of mixes. Store caps screw onto the bottom of the bottle when not in use.

Multiple color-coded top options: Long Neck Top™ for fast cocktail making, V-Neck Top™ for chunkier mixes or condiment options, or Low Profile Top™ for ready to serve direct from cooler or in restricted bar space.

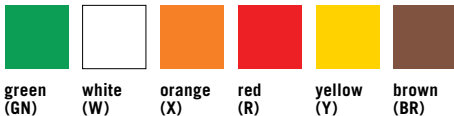

Super fast, easy to clean, clog-resistant vented pourers speed up your service. Conveniently packaged for Cash & Carry.

PROPER POUR™

Eliminate those over pours that rob profits. TableCraft's Proper Pour™ provides accurate pours for consistent drinks. Color-coded dip tube indicates measurements, while spout colors allow for easy liquor identification. Multi-ball technology blocks the air chamber, preventing additional alcohol from pouring out.

PLASTIC WITH BLACK COLLAR

12 pourers per polybag. Conveniently packaged for Cash & Carry.

SCREEN 'EM™ POURERS

Screen Em™ Pourers reduce the incidence of pesky fruit flies with an integrated screen design. Perfect for outdoor venues or open air environments.

Screen Em™ design complies to many food safety regulations that require you to cap your pourers at night. These pourers prevent risk of cross contamination and limit liquor evaporation.

terms & conditions / legal

For shipments out of US only

Prepaid Freight \$1900.00 NET

Prepaid freight on \$1900.00 order to one destination within continental limits of the United States via carrier and routing selected by TableCraft. All weights are approximate. No C.O.D. orders accepted. Prepaid freight does not apply to special express shipments.

Payment Terms

Net 30 days to approved accounts. A 2% per month service charge will be incurred if the account is 30 days or more past due.

Credit Cards

TableCraft accepts credit card payments for Cash-in-Advance accounts only. Minimum credit card order is \$250.00 NET. We accept Visa, MasterCard, American Express and Discover.

New Accounts

Minimum opening order is \$1900.00 NET. Provide resale number and trade references.

Minimum Orders

For orders less than \$100.00 NET, a \$15.00 NET processing fee will be added. No processing fee on parts only.

Customer Pick-ups

Appointments for merchandise pick-up must be scheduled a minimum 24 hours in advance by contacting our customer service department.

Custom Orders

Orders for custom products may require a deposit. All custom orders require a separate purchase order and are non-cancelable. Costs incurred to produce/procure a custom product that has been canceled, will be the responsibility of the customer. TableCraft's standard freight terms apply. Delivery of products within 10% + or - variance of the ordered quantities constitutes fulfillment of the custom order, with payment to be made on the basis of actual delivery.

International Orders

All orders payable in U.S. funds. International orders will be accepted against wire transfers, checks and credit cards unless credit has been established. F.O.B. TableCraft Distribution Center. Minimum order is \$200.00 NET. International orders under \$200 will be accepted with a \$15 processing fee. International orders under \$100 will not be accepted.

Additions to Orders

Depending on the time that an order is received, add-ons cannot be guaranteed.

Backorders

TableCraft reserves the right to cancel backorders on prepaid shipments. Add-ons are not allowed on prepaid backorders.

Shipping Dates

Orders acknowledged with an "anticipated shipping date" are based on current production schedules. This is not a guaranteed commitment to ship on that date. Orders requesting next day or 2nd day air delivery must be placed prior to 11AM CT, and same-day shipments cannot be guaranteed.

Returns

Contact your local sales representative to request a written return authorization. Return request must be received within 60 days of shipment from TableCraft. Goods must be returned to TableCraft within 30 days in original cartons, full cases only. Returns must be prepaid and are subject to inspection and a 25% restocking charge. Credit will not be issued for discontinued products, custom items or any unauthorized returns.

Damages & Shortages

Inspect shipments immediately. All shortages must be reported to TableCraft **within 48 hours**.

If loss or damage is discovered and P.O.D. is not signed short, notify the carrier immediately. Without Proof of Delivery signed short, claims will not be honored. Any claim must include an inspection report along with the paid freight bill. If damaged merchandise is to be returned, an authorization number will be issued by TableCraft. The return authorization number must appear on all returned cartons.

Disclaimer

TableCraft is not responsible for printing errors. Case packs, specifications, terms or conditions of sale are subject to change without notice. Pictures for reference only. Patterns may vary – form, fit and function remains the same. Can not combine orders from IL and TX to equal \$1900.00 NET to receive prepaid freight.

tablecraft recommended care & use for your products

Acrylic Pieces

For best results, we recommend to hand wash with a soft cloth and mild detergent, then towel dry. Do not wash with harsh or abrasive cleaners. Do not put in the dishwasher. Not microwave or oven.

Melamine Pieces

Dishwasher safe. Due to the size of some pieces, hand washing is best. We recommend to use a soft cloth and mild detergent, then towel dry. Not microwave or oven safe. Safe for temperatures up to 157°F/70°C.

Porcelain Pieces

All pieces are dishwasher and microwave safe. Due to the size of some pieces, hand washing is best. We recommend to use a soft cloth and mild detergent, then towel dry.

Recycled Green Glass

Due to the size of some pieces, we recommend to hand wash with a soft cloth and mild detergent, then towel dry for best results. Due to the nature of recycled glass, it is common to notice bubbles and small lines in the finished product. These characteristics are the hallmark of recycled glass — no two pieces are exactly alike. Not microwave or oven safe.

Stainless Steel Pieces

Dishwasher safe. For best results, we recommend to hand wash with a soft cloth and mild detergent, then towel dry immediately to maximize their beauty. Do not wash with harsh or abrasive cleaners. Do not allow product to soak in water for extended periods of time (Will prevent rust). Not microwave safe.

Galvanized Steel

Hand wash with soft cloth, mild detergent, then towel dry. Do not wash with harsh or abrasive cleaners. Do not allow product to soak in water for extended periods of time (will prevent rust). Not microwave safe.

Black Metal, Chrome Plated Baskets or Racks

For best results, we recommend to hand wash with a soft cloth and mild detergent, then towel dry. Do not wash with harsh or abrasive cleaners. Do not put in the dishwasher.

Polypropylene or Vinyl Baskets, Ridal Collection™

Dishwasher safe (low temperature). Not microwave or oven safe.

Willow or Bamboo (1174W Series)

For best results, we recommend to hand wash with a soft cloth and mild detergent, then towel dry. Do not wash with harsh or abrasive cleaners. Do not put in the dishwasher.

Polyethylene/Plastic Baskets

Dishwasher safe (low temperature, top shelf), microwave safe (for re-heat only) and heat lamp safe at up to 150°F/65°C.

Polyethylene/Plastic Bottles

Dishwasher safe (low temperature, top shelf).

Wood Products (bread boards, salad bowls, pepper mills, etc.)

We recommend to hand wash with a soft cloth and mild detergent, then towel dry. Do not wash with harsh or abrasive cleaners. Do not put in the dishwasher. Do not let product soak in water for extended periods of time (prevents splitting).

ETL

CW30157, CW30158, CW30159, CW40195, CW40196
The ETL Listed Mark is proof of product compliance (electrical, gas and other safety standards) to North America safety standards.

NSF Listing

This catalog was printed February 2016. Item listing is constantly updated, please see NSF.org for the latest listing information.

Quick Ship

All items marked **QS** are quick ship items. Quick ship items ship within 72 hours from receipt of order.

For **cast aluminum** items marked **QS**, no more than 50 pieces can be ordered to ship within 72 hours.

Stainless Steel (Tri-Ply)

Stainless Steel cookware is dishwasher-safe. However, we recommend hand-drying the cookware immediately after the rinse cycle or hand-washing and drying to preserve the original finish. Prolonged exposure to high heat settings may cause your cookware to discolor. To recondition your cookware or to remove stubborn spots and stains, use a nonabrasive pad and quality Stainless Steel cleanser such as Bar Keepers Friend®.

Cast Iron

Our line of Cast Iron is pre-seasoned, however it is still important to seal the surface of cast iron through a process called "seasoning". This makes the cookware less likely to stick, protects it from corrosion and rust, and prevents food from taking on metallic flavors. With proper care, a well seasoned pan will only get better with time and last for several years. Wash the pan thoroughly in hot soapy water, then hand dry immediately. Using a cloth or paper towel, grease the pan thoroughly with a thin coating of vegetable oil or melted vegetable shortening. Be sure to coat the entire surface, including all corners. Heat the oven to 350°F (150°C). Place the cookware in the oven for 1 hour. Remove while hot and allow to cool to room temperature. Wipe away any excess oil, being careful not to scrub clean, then store. To preserve the seasoned finish, cast iron must be cleaned differently from other types of cookware. Cast Iron should never be placed inside a dishwasher or scrubbed with scouring pads or steel wool. Instead, wipe the pan clean with a

sponge or dishcloth in hot water, without detergent. Any residue may be removed by boiling a little salt and vinegar in the pan, or by rubbing with a paper towel and coarse salt. Hand dry immediately after washing and brush with a thin coating of vegetable oil before storing. If stacking pans, place a paper towel between them. Pans should be seasoned from time to time when needed. Cast iron cookware is heavy and care should be taken when lifting; where available, use side handles for extra stability. Always use heat protection gloves as handles will become hot. Allow cookware to cool before cleaning. Cast Iron is not microwave safe.

Naturals

The "Naturals" are made of a food safe cast aluminum without coating and are NSF approved. These items can endure temperatures from -20 up to 450°F. When using a non-caustic detergent, the product is dishwasher safe. Staining will occur if acidic foods are put into the natural products.

Coated Cast Aluminum

All Coated Cast Aluminum products are NSF approved and will endure temperatures from -20 up to 212°F. (DO NOT BAKE in the coated cast aluminum products). If a defect in the coating appears, such as peeling or chipping, the product must be taken out of service immediately and repaired or replaced. The intended purpose of the color coated products is for serving & display only. They are not to be used in the preparation of food. Some environmental uses are, but not limited to, buffet lines, catered environments, and in food display cases. Do not cut directly on the products, as this will cause the coating to scratch. Do not put any of the products in an oven, on a stove top, under a heat lamp or in any other condition where the temperature exceeds 212°F. Washing by hand is recommended, but when using a non-caustic detergent, the coating is dishwasher safe. Do not clean with scouring pads. Only use nylon or sponge pads. Regular dish washing will dull the coating. Do not use metal utensils on the color coated products. NOTE: Staining of all color coated products will occur especially if used with acidic foods. The lighter (white, ivory, sky blue, and gray) colors are more likely to show stains than darker colors. Staining of products is not covered under warranty.
